**Message: Collaboration; a must for Kingdom Advancement**

Welcome to the year 2024!

Let me begin by exhorting, reminding and encouraging us a little bit on the issue of collaboration; a must for God's Kingdom Advancement on earth. :

## What is Collaboration?

Collaboration is the [act of working together with other people or organizations to create or achieve something \(Cambridge Dictionary\)](#).

It is a term associated with teamwork, networking and focusing on one goal and oneness. It is channeling strength, resources, skills, relevant experiences and focus towards achieving one goal and aim.

It is God's idea, it emanated from God and He has always been involved in it.

**Genesis 1:26** “And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.” KJV

## The call to collaboration

Collaboration is a call unto team work.

People that collaborate together have the same vision, the same goal and they will achieve the same target together if they work at it.

When God called His trinity, they all came together for the same purpose and achieved that same purpose; which was to make man in God's image after God's likeness. And man was made in God's image after God's likeness as purposed. The call for collaboration from the beginning was to make man in God's image and likeness. However, after the fall of man, man lost that state of being. God

made a redemption plan, through collaboration with His son Jesus Christ and The Holy Spirit to restore man back to this lost position, through salvation and sanctification.

Anyone who has truly experienced this redemption is obligated to join God's rescue operations by telling the dying world about it, and encouraging them to be saved as well. As Christians who are partakers of the glorious life in Jesus Christ, we are called upon to make disciples (Matthew 28:18-20). God is still calling his people to produce his type and kind, meaning His kind of character and life amidst men.

God is the Lord of the harvest and the Kingdom work is all about Him, we are privileged to be part of it, so, let us join God in this great task.

### ***The importance of collaboration***

***Ecclesiastes 4:9-10 "...woe is he who labours alone..."***

***"Two are better than one; because they have a good reward for their labour. For if they fall, the one will lift up his fellow: but woe to him that is alone when he falleth; for he hath not another to help him up."***

In the Kingdom work, no one can do it alone. It is beyond any single human effort, and as such we must team up with The Trinity and brethren to do the work.

Woe to a man who labours alone you will not be able to do much for the Kingdom as a lone ranger.

### **What does Collaboration entail?**

Collaboration also involves supporting directly the people that are sent to mission fields to preach the gospel. They need the backing of the brethren to help in the work that they do. For instance, when soldiers are sent to war, they are not just there alone, they work in collaboration with the home base (military base) and the Governmental network for their safety and execution of their

purpose. Even as we talk about the work of God in the aspect of missions, Missionaries are sent by the church into the battlefield. We need to collaborate together as church through prayers and support them to see that the work is effective. If we fold our hands as if nobody cares, it shows that we do not have the same spirit. Collaboration is a sign of people with the same spirit. If we have the same spirit, we need to collaborate together to do the work of God in the midst of men; this is part of our fulfilment in life, let us take note.

The collaboration of the trinity meant the trinity agreeing together on the purpose of creating man in God's image because they have the same spirit. Let us be deliberate and take action

**What are you doing now as a sign of collaboration?**

Whom are you praying for? Whom are you supporting? Whom are you encouraging? What are you seeing God do around you and how are you planning to join Him at it, by faith? Like Jesus joined the father to work in

**John 5:19**

*“Then answered Jesus and said unto them, Verily, verily, I say unto you, The Son can do nothing of himself, but what he seeth the Father do: for what things soever he doeth, these also doeth the Son likewise.”* Let us join God to work, let us join His people who are already working where He has sent them to work. Let us Join God anywhere He is working. God is speaking to you to work, join Him so that you can be fulfilled in this life.

In this new year and beyond, I want to encourage you to collaborate with God, and brethren in advancing God's Kingdom on earth. Thank you and God bless you.

**ABOUT US**

**Vision Statement:** Transformed nations of the world. Rom 12;2, Isaiah 65:17-25  
**Mission statement:** Reaching out to the Nations of the world with the gospel of our Lord Jesus Christ through encouraging missionaries, their children and the persecuted believers that they work among. Matthew 24;14, Psalms 86;9-10  
**House of Hope for the Nations Mission (HHNM)** is an interdenominational mission agency, and our focus is to encourage missionaries on the field for maximum productivity in their labour.

## OUR HISTORY

The vision began in the year 2002 with Pst. James Enemakwu Ajeka while he was serving in Bassa Okwuom, Kogi State, Nigeria as a missionary. The Lord gave him the burden to reach the unreached peoples group, through encouraging the missionaries, their children and persecuted believers in their vicinity.

He began to pray for like minded Christians that will collaborate with him. After ward, God brought him in contact with Mr&Mrs S. Carlson who were labouring as missionaries at Hillcrast School in Jos, Plateau State, Nigeria. through their influence the school chapel supported the training of five disciples from Bassa Okwom in a theological school.

The subsequent theological training of some disciples was sponsored by other individuals and church organizations through House of Hope for the Nations Mission Inc.; a ministry birthed from this vision.

Aside facilitating the theological training of some disciples, he was also involved in mobilizing resources for the cares of the missionaries, their children and their new converts.

These cares cut across their spiritual, health, children's academics, and basic welfare.

In the year 2004/2007 ECWA Goodnews Church Lokoja became a partner. Their support was used to purchase the book; Experiencing God by **Henry Blackaby** which was packaged with some funds and sent to some missionaries working under partnering mission agencies. Also, a female member of that Church donated a brand-new motorcycle to the ministry and this was forwarded to CAPRO Mission chapter in Kogi State.

Baba and Mama Idakwo Isaac Edime began their partnership with the ministry in 2007, even while Baba was on the sick bed he supported the work. In 2008, one of his daughters also joined in the partnership. In 2011 when Baba passed on to glory, the offering realised during his funeral was donated to the ministry by the family. Baba's entire family later became fully involved in the ministry. The vision was expanding day by day to the glory of God.

Having come this far, it became necessary to gather missionaries within our reach to encourage them in person. This birthed the Missionary Encouragement Program (MEP).

### **PHASE TWO**

Focuses on an annually gathering of the missionaries and their children for spiritual and physical refreshment for effectiveness. Missionaries from different mission agencies and independent missionaries attend the program.

### **MISSION IN DIASPORA**

The ministry has started a Hausa speaking church with the aim of reaching the Hausa people living in our vicinity with the gospel of Jesus Christ.

The maiden gathering of missionaries was in the year 2014 at Chapel of Restoration, Kogi State University, Anyigba. It was a prayer vigil and some board members were present, The missionaries were deeply grateful

encouraged by the program and requested for more of such gatherings and this confirmed the vision. Since then, MEP has become an annual event. Furthermore, the Board of Trustees was fully inaugurated in 2015 at Hon Justice Ibrahim Shaibu's house in Lokoja, Kogi State, Nigeria the ministry began her missionaries' children's camp recently, of which the first meeting held at Anyigba in 2022.

This is a summary of our history and God has been faithful throughout all of these years!
